**Thank you for your interest in requesting information on the WTAA Scholarship Program. Enclosed is our brochure and application.**

**The Scholarship is a one-time, nonrenewable, \$1000 award, available to full-time students, at whatever college level, who meet our criteria. Applicants not being granted an award the first time can reapply for consideration the following year. – All that is required is a letter from the student requesting reconsideration and the school to send an official copy of the latest transcript.**

**NEW APPLICATIONS – We encourage you to read the brochure carefully and follow all guidelines, especially relating to transcripts. Only official transcripts, sent directly from the school to the WTAA, will be accepted. The Committee will not be able to consider your application if this requirement is not followed.**

**While applications are accepted January 15 thru April 15, your application must include first semester grades. It is also your responsibility to make sure your application is received complete, by April 15. No reminders will be sent. Please include a wallet size picture along with your application.**
